

# ANTI-SWINE CXCL11

## Polyclonal Antibody

|                               |                                                                                                                                                                                         |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description:</b>           | Anti-swine CXCL11 polyclonal antibody                                                                                                                                                   |
| <b>Catalog Number:</b>        | KP1913S-100                                                                                                                                                                             |
| <b>Lot Number:</b>            | JV4864IV                                                                                                                                                                                |
| <b>Quantity:</b>              | 100 µg                                                                                                                                                                                  |
| <b>Concentration:</b>         | 1.0 mg/mL                                                                                                                                                                               |
| <b>Volume:</b>                | 100 µL                                                                                                                                                                                  |
| <b>Host:</b>                  | Rabbit                                                                                                                                                                                  |
| <b>Purification:</b>          | Swine CXCL11 affinity chromatography                                                                                                                                                    |
| <b>Immunogen:</b>             | Recombinant swine CXCL11                                                                                                                                                                |
| <b>Molecular Weight:</b>      | 8.9 kDa (calculated) for swine CXCL11                                                                                                                                                   |
| <b>Formulation:</b>           | 1X PBS buffer containing 0.09% NaN <sub>3</sub>                                                                                                                                         |
| <b>Stability and Storage:</b> | Stable for up to twelve months from date of receipt at 2-8°C.                                                                                                                           |
| <b>Country of Origin:</b>     | USA                                                                                                                                                                                     |
| <b>Applications:</b>          | <b>Western blot</b> - 0.1-2 µg/mL<br><b>ELISA</b> - 1-5 µg/mL<br>The recommended concentrations are approximate values.<br>Optimal dilutions should be determined for each application. |

| <u>Reagent</u>     | <u>Information</u>        | <u>Catalog Number</u> |
|--------------------|---------------------------|-----------------------|
| Capture Antibody   | 2.5 µg/mL for 12-24 hours | KP1913S-100           |
| Standard Protein   | 1 hour incubation         | RP0005S-005           |
| Detection Antibody | 0.2 µg/mL for 1 hour      | KPB1914S-050          |
| SA-HRP             | Use as recommended.       | AR0068-001            |
| TMB                | 15 minute incubation      | AR0133-002            |
