

# ANTI-SWINE CXCL9

## Polyclonal Antibody

|                               |                                                                                                                                                      |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description:</b>           | Anti-swine CXCL9 polyclonal antibody                                                                                                                 |
| <b>Catalog Number:</b>        | PB0420S-100                                                                                                                                          |
| <b>Lot Number:</b>            | DZ6556EM                                                                                                                                             |
| <b>Quantity:</b>              | 100 µg                                                                                                                                               |
| <b>Concentration:</b>         | 1.0 mg/mL                                                                                                                                            |
| <b>Volume:</b>                | 100 µL                                                                                                                                               |
| <b>Host:</b>                  | Goat                                                                                                                                                 |
| <b>Alias:</b>                 | MIG                                                                                                                                                  |
| <b>Purification:</b>          | Swine CXCL9 affinity chromatography                                                                                                                  |
| <b>Immunogen:</b>             | Recombinant swine CXCL9                                                                                                                              |
| <b>Molecular Weight:</b>      | 12.1 kDa (calculated) for swine CXCL9                                                                                                                |
| <b>Formulation:</b>           | 1X PBS buffer containing 0.09% NaN <sub>3</sub>                                                                                                      |
| <b>Stability and Storage:</b> | Stable for up to twelve months from date of receipt at 2-8°C.                                                                                        |
| <b>Country of Origin:</b>     | USA                                                                                                                                                  |
| <b>Applications:</b>          | <b>ELISA</b> – 0.5-5 µg/mL<br>The recommended concentrations are approximate values.<br>Optimal dilutions should be determined for each application. |

| <u>Reagent</u>     | <u>Information</u>        | <u>Catalog Number</u> |
|--------------------|---------------------------|-----------------------|
| Capture Antibody   | 2.5 µg/mL for 12-24 hours | PB0420S-100           |
| Standard Protein   | 2 hour incubation         | RP0309S-005           |
| Detection Antibody | 0.1 µg/mL for 1 hour      | PBB0424S-050          |
| SA-HRP             | Use as recommended.       | AR0068-001            |
| TMB                | 5 minute incubation       | AR0133-002            |

# ANTI-SWINE CXCL9

## Polyclonal Antibody

|                                     |                          |      |
|-------------------------------------|--------------------------|------|
| <b>Cross-reactivity:</b><br>(ELISA) | Recombinant bovine CXCL9 | None |
|                                     | Recombinant equine CXCL9 | Weak |
|                                     | Recombinant feline CXCL9 | None |
|                                     | Recombinant human CXCL9  | None |
|                                     | Recombinant mouse CXCL9  | None |
|                                     | Recombinant ovine CXCL9  | None |
|                                     | Recombinant rat CXCL9    | None |

**Warranty:** Products are warranted by Kingfisher Biotech, Inc. to meet stated product specifications and to conform to label descriptions when used, handled and stored according to instructions. Unless otherwise stated, this warranty is limited to one year from date of sale or expiry date, whichever comes first. Kingfisher Biotech's sole liability for the product is limited to replacement of the product or refund of the purchase price. Kingfisher Biotech products are supplied for research applications. They are not intended for medicinal, diagnostic or therapeutic use. The products may not be resold, modified for resale or used to manufacture commercial products without prior written approval from Kingfisher Biotech, Inc.
